REGENERATION

£1 billion

Nottingham has embarked on an intense period of economic regeneration, with a £250m redevelopment of the 'Southern Gateway' into the city centre underway; encompassing a remodelled shopping complex and new 'City Hub' college campus. This only adds to the £1bn which has already been invested in Nottingham's infrastructure.

CONNECTIVITY

1 hr 40 minutes

The proximity of major road links, including the M1, A1, A52, A46 and A42, means the city is easily accessible. Expansion of the award-winning tram network means visitors can get around easily. Over 70 trains a day run direct to London St. Pancras International, the capital is easy to reach with the fastest train taking 1hr 40mins. With Eurostar connections direct from St. Pancras, Nottingham is connected into the heart of Europe.

EDUCATION

£60,000

With two universities in the heart of the city offering world-class education to over 60,000 students, the ability to attract a diverse and flexible workforce is guaranteed. Nottingham Trent University was ranked the #1 University in 2017 by Times Higher Education.

LIVE, SHOP, EXPLORE

The city has a strong independent retail scene alongside designer brands and high-street favourites which makes Nottingham one of the best places in the UK to go shopping. For those who like to eat out, there are a wealth of restaurants with cuisines from every corner of the globe. With Sherwood Forest only a short distance away and located on the edge of the Peak District, the great outdoors is just on the doorstep.
