OUR APPROACH AND VISION

We are becoming not just a trusted name in the UAE real estate market, but also **a pioneer in the luxury and entertainment segment**. Our goal is to create real estate that reflects the dreams of the region's residents and covers all their needs. With experience, innovation and a passion for excellence, we are here to redefine the standards of UAE real estate.

We not only follow industry trends; we set them up by creating new and interesting solutions that highlight the excellence and quality of our projects.

Advantages for lease

Apartments with a small square

We managed to achieve a large quantity of small units – studios and one-rooms. They will be easier to rent, the occupancy rate will be higher, and the annual rental income will be stable.

12000 planned apartments Now **65%** are on sale, studios are only **6%** 1/3 of the studios in our project

Hotel service

We have created a management company that will be fully involved in managing your property and guests. Advertising, reception, accommodation, payments, transfer, cleaning, repairs. All you have to do is receive profit into your account.

The use of these services remains at your discretion.

Transfer for tenants

The project will use golf carts to continuously transport residents to the beach and casino.
